

Pesticide Application Notice

May 13, 2019

Dear Parent, Guardian or Staff Member:

I am writing to let you know that a pesticide with the trade name of **Lebanon 20-0-5 w/ Acelepryn**, and the EPA registration number of **000100-01492-000961**, is scheduled to be applied on **Saturday, May 18, 2019**, at the specific location of **Waterville Senior high school baseball, softball, football, track field located on Brooklyn Ave. and the Webber soccer field located at 100 West River Road**. This is being done to help manage **White Grubs**, as part of our **Integrated Pest Management Program** to ensure a healthy school environment. Signs will also be posted at access points and at this central location of **Waterville Senior high school baseball, softball, football, track located at on Brooklyn Ave. and the soccer field located at 100 West River Road** at least two working days prior to, and will remain posted for 48 hours after, the application. This notice is being provided at least five days prior to the planned pesticide application in accordance with our school's Integrated Pest Management Policy and in compliance with Maine Board of Pesticides Control Regulation CMR 01-026 Chapter 27.

For further information regarding this action please contact the IPM Coordinator, Shelley Phillips, at 207-873-7048 at the Waterville Superintendents office located at 25 Messalonskee Ave., Waterville, Me.

Sincerely,

Intergrated Pest Management Coordinator
Waterville Public Works
